Terror Rules in COUNT DRACULA AND HIS VAMPIRE BRIDE

Eerie contrasts succeed one another as suspense rises in COUNT DRACULA AND HIS VAMPIRE BRIDE, the DYNA-MITE! Entertainment release opening ..... at the ..... Theater. A sheet of flame shoots across the desk of an eminent financier, and when it subsides the captain of industry stands revealed as the sinister Count Dracula. A stately English country mansion rises from scenic acres, but within its shadowed halls bloodthirsty vampire rites climax in obscene orgies. A laboratory, apparently devoted to scientific research for the good of mankind, is used to produce a bacillus that will spread instant death.

Two masters of menace star in COUNT DRACULA AND HIS VAMPIRE BRIDE: Christopher Lee as Count Dracula, and Peter Cushing as his arch-enemy, Professor Van Helsing. Backed up by Scotland Yard, the super-shrewd professor finally succeeds in stopping Dracula. Joanna Lumley is narrowly saved from the grisly fate of becoming Count Dracula's bride. The vampire girls who live in the cellar of the mansion, the brutal guards who surround it, and at last Count Dracula himself, are swept away.

COUNT DRACULA AND HIS VAMPIRE BRIDE was made by Hammer Film Productions, the famous horror specialists. Also starring in the film are William Franklyn and Michael Coles. Roy Skeggs produced, Alan Gibson directed, and Don Houghton wrote the screenplay.

New Look for Undying Legend

A new look has been given to the indestructible legend of Dracula, the nobleman who drinks the blood of his brides and entraps them into becoming members of his vampire cult. DYNA-MITE! Entertainment's release, COUNT DRACULA AND HIS VAMPIRE BRIDE, opening ..... at the ..... Theater, presents the noble evildoer masquerading as an eminent financier who uses scientific knowledge to spread death. Under cover, the classic rites continue, as Dracula enlists prominent personages and innocent girls into the bands that celebrate black masses and blood-drinking ceremonies.

Starring are Christopher Lee as Count Dracula and Peter Cushing as Van Helsing, the Count's knowledgeable nemesis. These two irreconcilable enemies attack, escape and attack again in a crescendo of suspense.

Breathtaking scenes include the rescue of Van Helsing's granddaughter, played by Joanna Lumley, from the sacrificial altar upon which she lies, waiting to be transformed into Count Dracula's vampire bride; Dracula revealed as his true self through a rising sheet of flame; a Scotland Yard inspector plunging an improvised wooden stake through the heart of a vampire girl.

COUNT DRACULA AND HIS VAMPIRE BRIDE, a Hammer Film Production, also stars Michael Coles and William Franklyn. It was produced by Roy Skeggs and directed by Alan Gibson. Don Houghton wrote the screenplay.

Dracula, Masked and Unmasked

Regal height, riveting gaze, a malevolent smile, the crackle and tension of a high-voltage wire -- this is the legendary vampire as Christopher Lee portrays him in DYNA-MITE! Entertainment's release COUNT DRACULA AND HIS VAMPIRE BRIDE, opening ..... at the ..... Theater.

In the new Count Dracula adventure, woven around obscene rituals, Christopher Lee is first seen as an eminent financier, secretly promoting an invention that may mean the end of mankind. When this disguise is dramatically torn aside to reveal the Count Dracula personality, Christopher Lee charges every gesture and expression with malevolence. He becomes evil dominant, and apparently -- until the end of the film -- invincible.

Christopher Lee is a master of the art of conveying terror. He has practiced his art in six previous Dracula pictures, as well as in the James Bond series and "Dr. Terror's House of Horrors," "City of the Dead," "The Skull," "The House That Dripped Blood," "Scream and Scream Again."

In COUNT DRACULA AND HIS VAMPIRE BRIDE, he is paired again with Peter Cushing, who plays his formidable antagonist, Professor Van Helsing. The Hammer Film Production also stars Michael Coles, William Franklyn and Joanna Lumley. Alan Gibson directed and Roy Skeggs produced from a screenplay by Don Houghton.

More Than a Match for the Vampire Count

The role of evil's arch-enemy is never an easy one to portray, but Peter Cushing plays it supremely well in DYNA-MITE! Entertainment's release, COUNT DRACULA AND HIS VAMPIRE BRIDE, opening ..... at the ..... Theater. As Professor Van Helsing, Dracula's nemesis, Peter Cushing creates a personality who remains untouched by the contagion of evil though he knows every twist and turn of horror the human mind can take.

Peter Cushing, whose name is one of the most familiar in world film entertainment, is an old hand in the war against Count Dracula. This is the fifth motion picture in which he risks his life to save innocent victims from the power of the vampire. Cushing has also played leading roles in "Star Wars" and in many melodramas of menace including "Dr. Terror's House of Horrors," "I, Monster," "The House That Dripped Blood," "The Beast Must Die" and "At the Earth's Core."

COUNT DRACULA AND HIS VAMPIRE BRIDE, a Hammer Film Production, also stars Christopher Lee as Dracula. Roy Skeggs produced and Alan Gibson directed from a screenplay by Don Houghton.

**Count  
Dracula** and his  
Vampire Bride  
A DYNAMITE  
ENTERTAINMENT

Britain's top security force goes into immediate action upon learning from a dying man of death-dealing Black Mass rituals performed in a country mansion. Colonel Mathews (RICHARD VERNON) of S.I. 7, working with Inspector Murray (MICHAEL COLES) of New Scotland Yard, uncovers ominous evidence of crimes that only Professor Van Helsing (PETER CUSHING) can fathom and crush.

Van Helsing has studied and seen evil in all its aspects, and is its most formidable enemy. He discovers that his old friend Professor Keeley (FREDDY JONES) was one of four prominent Britons who attended the Black Mass. He pursues this clue.

In the meantime, Inspector Murray, accompanied by S.I. 7's Torrence (WILLIAM FRANKLYN) and Van Helsing's beautiful granddaughter, Jessica (JOANNA LUMLEY), investigates Pelham House, the estate believed to be Black Mass Headquarters. They gain entrance to the mansion, eluding a horde of guards, young men dressed as storm troopers and armed with brutal weapons. Inside, they glimpse a Chinese girl, Chin Yang (BARBARA YU LING), who seems to be in charge of the mansion. They make their way into a dank cellar. In it are young girls clawing at victims held in coffins.

By now, they have been discovered. Pursued by the kill-hungry guards, the three investigators flee to safety.

In London, Van Helsing has found Professor Keeley in his

laboratory, where he is working to produce a deadly bacillus that will annihilate mankind. Before Van Helsing can destroy the test tube containing the bacillus, a sudden gunshot kills Keeley. Another shot grazes Van Helsing, but he escapes to the safety of the street.

With the lethal bacillus in unknown hands, the hunt for the real head of this sinister organization becomes a matter of national urgency. Van Helsing investigates a new clue. A huge industrial complex, he learns, will manufacture the man-killing substance. Van Helsing meets with the company chairman, D.D. Denham (CHRISTOPHER LEE) in his office. A smooth and suave figure, Denham denies that the bacillus will be used to annihilate. A sudden rage seizes him. He bangs his fist upon his desk. A searing wall of flame shoots up, and Denham is revealed as Dracula!

Now Van Helsing is the captive of his old adversary, Count Dracula. Inspector Murray and Jessica have also fallen into the hands of the death-dealing cult, and Jessica has been chosen to become Dracula's vampire bride after going through blood-curdling initiation ceremonies. All three are brought to Pelham House, and Murray is imprisoned in the cellar.

Jessica is placed on the sacrificial altar; the ceremonies will soon begin. But Murray, in the cellar, has smashed a wooden box to form a stake. He plunges this into Chin Yang's heart. Her cohort of vampire girls scream, and rush at him. Murray accidentally

hits a ceiling sprinkler. Water is fatal to the vampires, and they die.

Murray rushes to the ceremonial hall. His entrance interrupts the obscene rites. A test tube full of lethal bacilli shatters, and one of Dracula's troop begins to disintegrate. Murray overcomes the attendant guards and seizes Jessica from Dracula's arms.

Van Helsing escapes through a window and races across the grounds, with Dracula in pursuit. Dracula is gaining on Van Helsing. Suddenly Dracula brushes the branches of a hawthorn bush, deadly to vampires. Count Dracula turns to dust.
